**HELP US, HELP OTHERS.**

We understand things are uncertain at the moment, but the one thing to come from this pandemic we are sure about is the power of community spirit.

Today Persimmon is delighted to announce that our volunteer army are here to help local community groups. Hundreds of our staff from across the UK have registered for our Voluntary Programme and you can access help by emailing [volunteer@persimmonhomes.com](mailto:volunteer@persimmonhomes.com)

# DON'T NEED HELP BUT LOOKING FOR FINANCIAL SUPPORT?

From April 1st we've made a few changes to our Community Champions scheme to direct our support to initiatives specifically aimed at helping the over 70s.

Every month each of our 32 businesses will be giving away £2,000 to fund local community initiatives – that's a total of

£64,000 each month just waiting to be shared out.

To get involved, simply follow the link below, complete our online form and tell us who you think deserves a donation.
