Hello June

Can you please forward Frank's email to the secretaries in the WBA. There will be unfortunately no details of any funeral plans due to the current situation.

Regards, John

Hello John

Please can you send the following email to all members? Thanks  
Frank

Fellow club members

It is with great sadness that I have to inform you that Joan Butler died last night. Joan had been suffering from a Covid-19 virus infection.

Our heartfelt condolences go to Michael her husband and family.

Joan will be fondly remembered by all club members who knew her. Not only was she a very good bowler but she was also great fun. She had a warm and welcoming personality and contributed to our club's friendly atmosphere.

My abiding memory of Joan will be of someone with lots energy and a positive attitude both on and off the green.

Our sadness is compounded by the fact that under current circumstances we will not be able gather together to celebrate Joan's life.

Please take care and stay well

Frank
