Hi June

Sadly I have to report that Dave Ellsmore ( Hewell BC ) passed away last night.

Dave was a member of Hewell BC and formerly a member of Redditch BC. He was well known in the County Association.

Dave passed away peacefully in his sleep and had been ill for quite a while.

It is likely that the funeral will be restricted to close family, but the Club will be hoping to organise something to celebrate Dave`s life later in the year.

Regards

Andy Griffin
