

Additional information for players

1. When you enter the clubhouse at the start of a session and when are leaving at the end of the session, please use the hand sanitiser provided.
2. There are poster to remind you of the rules of 'Socially Distanced Bowling' and to show that the kitchen is out of bounds.
3. Only one of the cubicles in the Ladies' should be used to reduce the amount of sanitising that will need to be done. There will be sign on the door of the toilet that should not be used.
4. When you use the club please keep it clean. If you do need to use the toilets make sure that you sanitise them before and after use.
5. A bucket has been provided so that you can wash/wipe down the jacks and mats that you use. This is to be used for diluted Fairy Liquid which will be used to wash the mats and jacks. Players are responsible for filling it with water and some antibacterial Fairy Liquid, washing the Jacks and mats that they will use before play. After you have finished wash the jacks and mats and then empty the bucket. This should be done before and after each session, i.e. morning and afternoon, to ensure they are fresh. The bucket can be filled from the hose pipe on the east end of the clubhouse outside. The waste water should be put onto the garden to water it.
6. There are spray bottles and wipes that should be used to clean the toilets etc.
7. Paper towels will also be available at the clubhouse. Please place any used paper towels in the bin provided once.
8. Please keep the grounds clean and tidy and take your rubbish home. Brooms will also be available in the clubhouse to help keep the green tidy.
