Fridays	Green open from 11.00am - play on rink centres Yellow Nos. 1,3,5 N/S
Saturdays	Green open from 11.00am - play on rink centres Yellow Nos. 2,4,6 E/W
Sundays	Green open from 11.00am - play on rink centres Yellow Nos. 2,4,6 E/W

N/W - North/South (Club House end)

E/W- East/West (Orchard Road end)

Please remove worm castings on your rink before starting to play and also refrain from walking on other rinks and treading on worm castings. They only occur around the sides of the green. There will be a broom available in the clubhouse for this purpose but must be cleaned before and after use.

The rink centres and boundary markers are fixed permanently. There are white and yellow rink centre markers. There will be a change in due course to minimise wear on the green when I will change the rink centre to yellow and produce a new schedule.

Watering the centre of the green will take place twice a week at about 5.30 PM for 15 minutes. Further details to follow.
